

To whom it may concern:

I have been an XM Satellite Radio listener and enjoy satellite radio. It provides variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve

Thank you
